

August 24 - RFK Jr. Makes Sensible Decision

August 24, 2024

(left, Trump and RFK Jr. in a Masonic grip)

They make strange bedfellows considering RFK tried to awaken Trump to the Vaccine damage he was doing.

The burning issue today is will mankind accept Masonic-Jewish supremacism whether in the Left (Communist) or Right (Zionist) variation.

The idea that the Creator would favor this race over all others is self-serving supremacist nonsense and the cause of antisemitism. This is the First, FOREMOST AND FINAL Jewish scam.

Of course, the Zionist version is more palatable because it allows for national independence and free speech. But either way, Cabalist Judaism is Satanism

Why RFK Jr. Suspended His Presidential Campaign: Video + Full Transcript

This is worth every minute of your time.

RFK Jr. - "In the Name of saving democracy, the Democratic Party set itself to dismantling it, lacking confidence in its candidate that his candidate could win in a fair election at the voting booth.

The DNC waged continual legal warfare against both President Trump and myself. Each time that our volunteers turned in those towering boxes of signatures needed to get on the ballot, the DNC dragged us into court, state after state, attempting to erase their work and to subvert the will of the voters who had signed those petitions. It deployed DNC-aligned judges to throw me and other candidates off the ballot and to throw President Trump in jail,

It ran a sham primary that was rigged to prevent any serious challenge to President Biden. Then when a predictably bungled debate performance precipitated the palace coup against President Biden, the same shadowy DNC operatives appointed his successor, also without an election. They installed a candidate who was so unpopular with voters that she dropped out in 2020 without winning a single delegate.

In my heart, I no longer believe that I have a realistic path to electoral victory in the face of this relentless, systematic censorship and media

control. So I cannot, in good conscience, ask my staff and volunteers to keep working their long hours, or ask my donors to keep giving when I cannot honestly tell them that I have a real path to the White House.

Furthermore, our polling consistently showed that by staying on the ballot and the battleground states, I would likely hand the election over to the Democrats with whom I disagree on the most existential issues, censorship, war and chronic disease.

I want everyone to know that I am not terminating my campaign. I am simply suspending it and not not ending it. My name, my name, will remain on the ballot in most states. If you live in a blue state, you can vote for me without harming or helping President Trump or vice president Harris and red states, just the same will apply. I encourage you to vote for me, and if enough of you do vote for me and neither of the major party candidates win 270 votes, which is quite possible. In fact, today, our polling shows them tying at 269 to 269 and I could conceivably still end up in the White House in a contingent election.

But in about 10 battleground states where my presence would be a spoiler, I'm going to remove my name, and I've already started that process and urge voters not to vote for me, it's with a sense of victory and not defeat that I'm suspending my campaign activities."

Mike Adams--"Based on what RFK Jr. said in his historic speech, I believe he will be offered the position of head of HHS.

Note that HHS oversees the CDC, the FDA, the NIH and a long list of other administrative bodies, almost all of which are deeply corrupted, filled with Big Pharma infiltrators, and need to be absolutely gutted to the core.

More proof COVID is a Masonic Jewish-WEF scam

Germany: Explosive Leaked Government Report Exposes COVID Deception and the Calculated Sacrifice of Innocent Children for Political Gain

"The Interior Ministry deliberately induced fear in children and made them think that if they didn't comply with health regulations, they were responsible for the death of their parents."

<https://lionessofjudah.substack.com/p/germany-explosive-leaked-government?>

<https://lionessofjudah.substack.com/p/germany-explosive-leaked-government?> (<https://lionessofjudah.substack.com/p/germany-explosive-leaked-government?>).

"A monumental betrayal has been uncovered. Recently leaked documents from Germany's Robert Koch Institute (RKI), akin to America's CDC, have revealed that the so-called 'pandemic of the unvaccinated' was a calculated hoax. This was not a mere policy failure but a deliberate strategy by a left-wing government more interested in control than the truth. The most chilling aspect of this revelation is the targeted measures against children, who were forced to bear the brunt of these decisions despite being at minimal risk from COVID-19."

A legislative effort is underway in Canada to enact a ban on a central bank digital currency (CBDC) in the country.

Bill C-400 (Framework on the Access to and Use of Cash Act), spearheaded by the Conservatives, aims to prevent the creation of a CBDC and ensure that cash is guaranteed to remain an option for citizens.

Hungary Threatens to Ship Migrants Straight to Brussels.

<https://thenationalpulse.com/2024/08/23/orban-threatens-to-send-migrants-to-eu-capital-after-bloc-fines-hungary-for-stopping-illegal-immigration/> (<https://thenationalpulse.com/2024/08/23/orban-threatens-to-send-migrants-to-eu-capital-after-bloc-fines-hungary-for-stopping-illegal-immigration/>).

Hungary is threatening to send migrants directly to the European Union (EU) capital of Brussels, Belgium if disputes with the EU over penalties imposed on Hungary for controlling its borders are not resolved. The European Court of Justice (ECJ) has imposed a €200 million (~\$222.5 million) penalty and a daily fine of €1 million (~\$1.1 million) on Hungary for turning away illegal immigrants at its border instead of allowing them to claim asylum. Gergely Gulyas, who heads Prime Minister Viktor Orbán's office, says negotiations with the European Commission will begin in September. He warns that failure to reach an agreement will result in Hungary issuing "one-way tickets to Brussels" for migrants. Gulyas wants a swift resolution to the dispute to avoid daily fines piling up.

US and Her Vassals Repeat Claim Maduro is Not Allowed to be President of Venezuela, by Andrew Anglin - The Unz Review

"The Jew-Run USA has adopted the strongest Jew traits; Murder, Lying, Supremacy, Theft & Hypocrisy. Hypocrisy is especially strong. It's overwhelming. Hypocrisy is a real Asshole trait! It's no wonder then, that it's such a foundational trait of Jewry.

Venezuela has the most oil in the world and now the US has pushed her into the arms of Russia & China, who both bury the west when it comes to industrial production, which the west now lacks like never before, thanks to Rothschild Jewry domination and bleeding those countries dry. Maduro ain't letting in no Jews!! LOL! The world outside the west is united against it.

The US,
thanks
to its
total

submission to Jewry, has never been so isolated in the world. Just as with Israel, everyone Hates the USA, and for all the right reasons. Show me anyone who's proud to be American, and I'll show you a clueless moron. Or a Satanic Zionist. Or both."

Comments for "August 24 - RFK Jr. Makes Sensible Decision"

rh said (August 24, 2024):

"Jews are on a collision course with humanity."

We are taught in Romans 12:19 "Do not take revenge, my dear friends, but leave room for God's wrath, for it is written: "It is mine to avenge; I will repay," says the Lord." The flip side, we are also taught, was that this verse also was applied to our behavior, that is, if we do evil, we would be repaid. Don't do evil.

The Satanists cannot escape their repayment. While we may not understand the moment, we must believe that all is repaid in due time, because it will.
